FAMOUS FOR HER HAIR

Actress Tells How to Obtain It.

Madame Rose, the well-known actress who played on one of the leading Broadway circuits the past winter and is especially noted for her long, beautiful hair, in a recent interview in Chicago, made the following statement: "Any lady or gentleman can promote the growth of their hair and make it soft and glossy with this simple recipe which they can make at home: To a half pint of water add 1 oz. of bay rum, a small box of Harbo Compound and 1/2 oz. of glycerine. Apply to the scalp a few times a week with the fingers tips. This is not only the finest hair grower I have ever seen, but it prevents falling out, removes dandruff and scalp humors, darken streaked faded hair and makes it soft and glossy. The ingredients can be purchased at any drug store at very little cost." Advt.
